

Fun events for the 4th Inter IIT Tech meet – 2016, IIT Mandi

Name of the Event	Description	Mode
Cube-Master	A game which aims at solving a Rubik's cube in minimum amount of time. The threshold will be decided by the participants themselves. Participants break each other's records, and the one whose record holds after the 3 day event culminates will take home a memento/prize.	Paid. For every Rs. 10 a participant pays, he is allowed to make two attempts. His best attempt will be recorded.
Tiny Tangrams	Tangrams is a puzzle which aims at solving a puzzle with the given number of puzzle pieces. (Refer here : https://en.wikipedia.org/wiki/Tangram) There will be a numbered list of puzzles. The participant picks out a random puzzle, and needs to solve it in given amount of time. The event can have two modes, single player, and versus mode. To win both the single player and versus mode, the players need to complete the game in the given threshold time. In versus mode, the one who solves faster, provided in the given span of time, wins.	Paid. In single player, the player pays a sum of Rs. 10 per game, and if he wins, takes back Rs. 20. In the versus mode, both the players pay Rs. 10, and the winner takes back Rs. 30.
Save your cups	This is also a single and a versus event. There will be a stack of plastic cups (100 in number). The bottom-most cup will have a different colour than the other. The participant needs to pop the cups one by one from the top, and push it to the bottom, until the differently coloured cup reaches the top, all in a given threshold time.	*Same as previous*
Towers of Hanoi	This is a combination of the above two modes of games. It has 3 modes, single player, versus, and best player. The participant needs to solve the tower of Hanoi in a given threshold time. The rules for the winner are same as previous two games. Plus the record holder after the event culminates is eligible of a memento/prize.	Paid. Rs. 10 per game per participant. A single player game winner takes back Rs. 20, and a versus game winner takes back Rs. 30. The best time gets a special award.
Slower – Slower	In this game, the participants are to cycle across a 50m track, and the slowest one to reach the end wins, provided he does not step on the ground in the midway.	Free event. Anyone may participate.
Entertainment Hub	A place where anyone can up and show their talent, sing dance, etc.	Free event.
So you think you can 'Golf'	Golf-coding event. Minimum characters wins.	Free event
The beauty of the tools	The participant(s) will be provided by a set of mechanical tools. They need to make something artistic/innovative from them. There must be maximum one team from each IIT.	Free event. The winning team takes a memento/prize. Winners will be judged by judges.
Beat the cold(Bonfire night)	This is no competitive event, but an interaction event. The name suggests it all.	Free event.
'Neri' Morning marathon	A marathon to village Neri, 4km from Kamand Bus Stop, IIT Mandi – Kamand Campus	Free event.
Kara-Okay-Okay	Karaoke night, at the lounge. Maximum one team per IIT. Winners will be appreciated! :P	Free event.
